

WHAT DO

TEETH DO?

We all need teeth - moms, dads, sisters and brothers - even the pet dog and cat!

Your teeth's primary job is chewing - imagine how hard it would be to eat your favorite foods without teeth! Talking would also be difficult without your teeth. So would smiling!

We will be working hard to help your teeth be better than ever.

Eruption of Baby (Primary or Deciduous) Teeth

Eruption	Falls Out		Tooth Name
8 to 12 months	6 to 7 years	<p style="text-align: center;">Upper Teeth</p>	Central Incisors
